Behaviour Principles Written Statement

Rationale and Purpose

This Statement has been drawn up in accordance with the Education and Inspections Act 2006, and DfE guidance (The school behaviour policy: the role of the governing body). The purpose of this statement is to provide guidance for the Co-Headteachers in drawing up the Behaviour blueprint Policy at Crockerne Church of England Primary School so that it reflects the shared aspirations and beliefs of governors, staff and parents for the children in the school, as well as taking full account of law and guidance on behaviour matters. It is intended to help all school staff to be aware of and understand the extent of their powers in respect of discipline and sanctions and how to use them. Staff should be confident that they have the Governor's support when following this guidance.

This is a statement of principles, not practice: it is the responsibility of the Co-Headteachers to draw up the Behaviour blueprint Policy at Crockerne Church of England Primary School, though they must take account of these principles when formulating this. The Co-Headteachers are also asked to take account of the guidance in DfE publication Behaviour and Discipline in Schools: a guide for Co-Headteachers and school staff (January 2016). The Behaviour Blueprint Policy must be publicised, in writing, to staff, parents/carers and children each year. It must also appear on the school's website. **Principles**
