

Crockerne CofE Primary School Oversubscription Criteria.

Where a school is named in a child's Statement of Special Educational Needs or Education, Health and Care Plan, the Admission Authority for the school is legally required to admit the child to the school. Such children will therefore be allocated places at the named school before the oversubscription criteria is applied.

If a school receives more applications than the admission number, the oversubscription criteria will be used to determine who will be allocated places. All applications will be ranked in accordance with the criteria given in order of priority.

1. Children in Care at the time of application and children who were previously in Care but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order) immediately following having been in Care.
2. Children with a brother or sister who was attending the school prior to September 2017 and either he/she or any younger brother or sister will be attending the school at the time of admission, where it is the nearest North Somerset school to the home address.
3. Children with a brother or sister who started attending the school after or during September 2017 and he/she will be attending the school at the time of admission, living within the First Geographical Area.
4. Children living within the First Geographical Area.
5. Children, living outside the First Geographical Area, with a brother or sister who will be attending the school at the time of admission.
6. Children living outside the First Geographical Area living nearest to the school.

Within each criterion, priority will be given to children living closest to the school measured in a direct line.

Crockerne Church of England Primary School's First Geographical Area is shown in the map below. A First Geographical Area is an area of priority for a school. Living in this area does not guarantee a child a place at the school but they may receive priority over children who live outside the First Geographical Area.
